Decision and Order

----------X

The branch of plaintiff's motion seeking an order "authoriz[ing] the issuance of subpoenas duces tecum," and directing defendant to produce surveillance video footage from September 29, 2025 between 4:00 and 5:00 p.m. related to plaintiff's child is denied as moot, in light of defense counsel's representation at oral argument that defendant will voluntarily produce the footage sought by emailing a link to plaintiff.

The branch of plaintiff's motion for leave to proceed as a poor person, pursuant to CPLR 1101, is granted. Plaintiff has established that she has insufficient means to pay court costs, fees, and expenses through her UCS-FW1 application and attached financial records.

Accordingly, it is

ORDERED that plaintiff's motion to authorize the issuance of certain subpoenas is denied as moot; and it is further

ORDERED that plaintiff's motion for leave to proceed as a poor person is granted; and it is further

ORDERED that all further costs, fees, and expenses related to plaintiff's prosecution of this action in this court are waived; and it is further

ORDERED that the County Clerk is directed to reimburse plaintiff the cost of any filing fees she has already paid in this action.

This constitutes the decision and order of the Court.
